

WEBINAR FOR CLERGY COUPLES

HEALTH-JOY-PROGRESS: Reflections on the Priest and the Presvytera

Wednesday, November 4th, 1:00PM (EST)
Featuring Fr. Vasileios Thermos, MD, PhD

Fr. Vasileios Thermos is a priest in the Church of Greece and a practicing psychiatrist specializing in childhood and adolescent psychiatry. He has been a Visiting Scholar at many academic institutions around the world. Fr. Vasileios has conducted research on clergy health and burnout and is frequently sought as a speaker in continuing education and training programs for priests.

Fr. Vasileios is the author of several books and articles. Of particular interest to the clergy couple in the U.S., is his article, "Between Heaven and Earth: Pastoral Reflections on the Psychodynamics of the Clergy Family," a paper he presented at the National Clergy Retreat in 2006. This article can be found on the Clergy Couple Care Website.
